

# Eternal Word Ministries Christmas Report 2017

Christmas celebration was a happy time for all the children of EWM children's homes. The halls were brightly decorated with balloons and colourful garlands. The children danced beautifully dressed up. Each child received a box filled with gifts and sweets and enjoyed a delicious Christmas meal. Many thanks to all our Friends and Partners who contributed to make this Christmas special for the children.

Christmas celebrations require large amounts of time, energy, money and manpower. We buy toys and various gifts and clothes for children aging from 2 to 18. We also offer to our dedicated staff Christmas gifts and dinner.
